Volume XLII

John H. Reagan Senior High School

Houston, Texas

Dedication

To the Faculty . . .

Whose dedication to the thesis that "Education is the guardian genius of democracy" is their lodestone;

Whose tireless labor in the cause of the profession bespeaks their devotion to the high calling;

And whose interest in the welfare and success of students beyond as well as during high school days gives students the privilege of calling them Friends;

this, the 1957 volume of the PENNANT, is gratefully and affectionately dedicated.

Foreword

Look not into the Past . . . It comes not back again . . . Wisely improve the Present . . . It is thine . . . Go forth to meet the shadowy Future without fear, and a manly heart.

Principal

R. H. Williams

To the Class of 1957:

I congratulate you upon having finished your high school course and rejoice with you. The greatest joy that comes with graduation is the satisfaction of accomplishment, of attaining a goal. In your enjoyment of the moment, many of you have not yet had time to reflect upon the deeper significance of graduation—a transition for you from the enchantments of carefree youth to the solid responsibilities of adult life. While it is thus an important milestone in your life, it need not be one of terrifying possibilities.

Youth is not a time of life; it is a state of mind. It is not a matter of "rock and roll" and supple knees; it is a quality of imagination, a vigor of emotions, a freshness of the deep springs of life.

In a horse race the fastest animal gets the inside track, thus gaining advantage over those crowded away from the rail. Similarly, in the competitive race of men with men in business, in industry, and in the professions, the high school and college graduates have an inevitable advantage over the untrained non-graduates, in that they do things more rapidly and more efficiently. Again I congratulate you.

Our counselors in their new office

The duties of the counseling office are almost too varied and many to list adequately. Although its services touch parents, teachers, and students alike, its benefits as far as students are concerned come chiefly in the forms of scholarship opportunities, job possibilities, and readying students for meeting college requirements.

These are a few of the many services performed by this indispensible department:

1. Adjusting programs
2. Orienting new teachers
3. Conferring with parents, students, and teachers on student problems
4. Planning high school courses to meet college requirements
5. Arranging for annual Career Day
6. Administering practice tests before the College Board examination
7. Informing students of scholarships
8. Writing recommendations for job and scholarship applicants
9. Sponsoring the senior class

Speakers Forum

The Speakers Forum, composed of the members of the Extemp and Debate classes, is under the sponsorship of Mr. J. R. "Pappy" Holcomb. Members of this organization participate in assembly programs, civic programs, and tournaments. At the tournaments, various awards are made. Medals are given to winners in individual events, and trophies are awarded to the debate teams. During the past fall semester, six trophies have been won and thirty-four medals.

Many benefits are gained by participating in the speech activities. Members not only improve their speech but also learn of current events and governmental policies and affairs. The making of new friends at the tournaments is also invaluable to the members.

Members of the Speakers Forum often become members of the National Forensic League by acquiring service points each time a prepared speech is given.

The annual variety show, FORUM FOLLIES, proved exceptionally successful this year. The proceeds of this event are used to finance the out-of-town tournaments.

Officers are: President, Gorman Beauchamp; Vice President, Martha Jee; Recording Secretary, Winnie Mae Munger; Corresponding Secretary, Carol Ann Gaustad; Treasurer, Louis Patronella; Reporter, Pat Cloud; Extemp Delegate, Mary Margaret Lindsay. Sponsor, Mr. J. R. Holcomb.

Organized in the spring of 1953, the Future Teachers Club is for those who plan to make teaching their life work. The members learn of the things a teacher may expect when he enters the profession; and while a student in Reagan, he may take on some tasks that will give him practice on the things that will be required of him. Many members assist teachers during enrollment or act as substitutes in the absence of teachers.

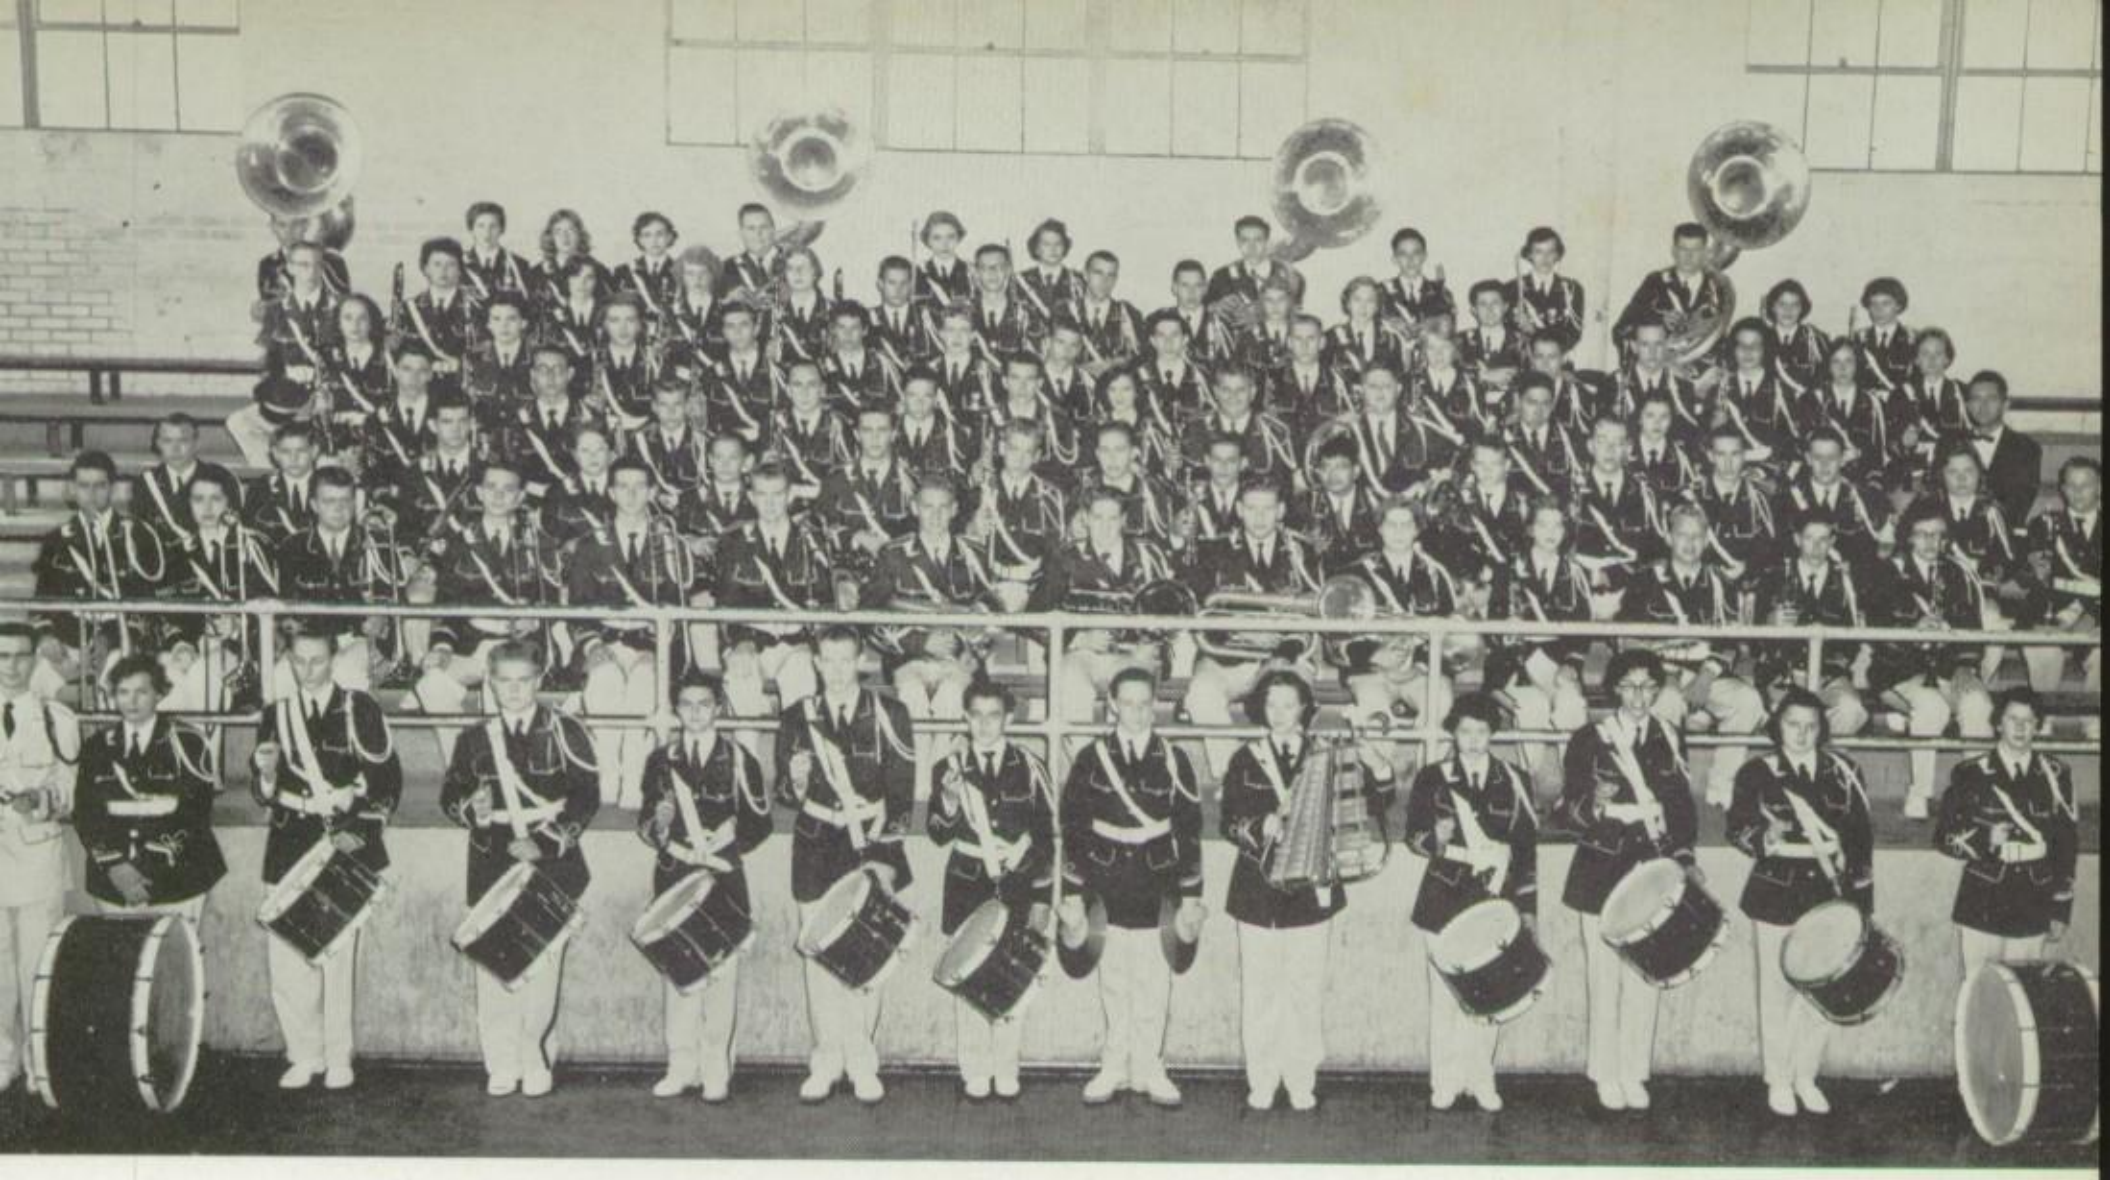
rchestra

In 1924 the Reagan Orchestra was organized. Through the years it has expanded to greater lengths. Today in 1957, Mr. John W. Robbins has capably led us forward. To the Reagan Booster Club also we are indebted for invaluable support and backing.

The Orchestra performs for assembly programs, the May Fete, the Honor Society, and many other outstanding activities and is in constant demand. When not in school practicing, the orchestra's members are busily competing in events such as All-City Orchestra, All-State Orchestra, Houston Youth Symphony, and many others. Reagan students have taken first chair in all of the above activities.



Reagan Band

At Reagan is found one of the oldest and most honored bands in the state. When organized some thirty years ago, the band was a military unit composed of boys. Under the direction of Leslie Kohlman, Mrs. O. W. Bogard, Charles Lindsey, Jay M. Brandstetter, and John Robbins, the Band has grown and improved.

There are many factors which contribute to the high distinction of the band. Among these are the accomplishments in the past with support from the student body and Boosters Club. Some activities in which the band participates include Rice's first home football game, marching contests, music festivals, the May Fete, graduation exercises, and taking part in all Reagan football games.

Last year the band was invited to hear the United States Marine Band and to play for the All-City Chorus, under the direction of Dr. Harry Robert Wilson from Columbia University. Also, every year we are privileged to have many of our students win positions in All-State Band and the Youth Symphony.

Thespians

"Act well your part, for therein all the honor lies"—This is the motto of the Reagan Thespians, an organization composed of students who are enthusiasts of the various facets of theater. Under the direction of Mrs. Pat Cook, the Thespians annually present two major productions: a senior play and a contest play. Also on the agenda are a series of class plays directed by Mrs. Cook, and a series of one-act plays directed by advanced drama students.

The purpose of the organization is to aid the individual in the development of personality, the attainment of poise, and the ability to better participate in group activities.

Inspired by their new theater, "The R. H. Williams Little Theater," the Thespians are aspiring toward ever greater theatrical accomplishments.

Club

The Reagan Choral Club, a group of students who enjoy music, was organized to give young men and women an opportunity to sing and to increase their musical background.

Entrance requirements are as follows: a good voice, above average sight-reading ability, a genuine love for singing, and a spirit of cooperation. It is possible to have an audition with the director to join the club immediately with her approval.

Directed by Miss Anna Marie Olson, the Choral Club has had the privilege of singing for many organizations, some of which included P.T.A., Houston Symphony Orchestra, Veterans' Hospital, Texas State Teachers' Association; and the men's Service Clubs in the Heights. The members also take part in assembly programs, Commencement exercises, the Baccalaureate Service, and Thanksgiving, Christmas, and Easter programs.

They strive to put forth a message through every song, from the light humorous songs to the serious music of great composers, such as Bach and Handel, and the moving modern arrangements of Fred Waring.

The Girls' Glee Club, led by Miss Anna Marie Olson, prepared music this year to be sung at such places as the Kiwanis Club, Rotary Club, the Veterans' Hospital, for the P.T.A., and also for auditorium assemblies.

The requirements and standards for getting into the Glee Club are very high. Above all, the girls must have excellent conduct. They also have to have some knowledge of music, preferably Music 1, 2, 3, and 4. The girls' favorite songs are: "The Lord is My Shepherd," "The Heavens are Telling," "Alleluja," "Beautiful Savior," and especially liked is "Eternal Life."

This year the club was privileged to sing with the combined music groups at the Texas State Teachers Association Convention.

Along with hard work, the girls also have their fun. The most enjoyable outside activity is the annual picnic and initiation, which is usually held in the fall. To finish the year the Glee Club has a party in the music room and presents the officers for the following year.

Hi-Y and Tri-Hi-Y which are sponsored by the Y.M.C.A. are voluntary club programs for high school students. The Y movement is international, national, and state in scope. Christian in emphasis, interdenominational in character, and democratic in purpose.

The three planks of the Hi-Y program are: *clean living*
clean speech
clean sportsmanship.

The Future Homemakers of America is a national organization of students who are enrolled in any homemaking class in junior or senior high school. This organization works toward better home and family living, provides opportunities to share in solving problems important to home life, and sponsors group projects, local, state, and national in scope.

The emblem of the Future Homemakers of America is octagonal in shape and bears the name of the organization around the symbol, while around the lower side of it is the motto, TOWARD NEW HORIZONS. In the center there is a house supported by two hands, which is a symbol that the future homes of America are in the hands of its youth.

TOWARD NEW HORIZONS, the motto of the Future Homemakers of America, expresses the purposes of the organization: Learning to live better each day in order to be better tomorrow.

The Reagan Red Coats were organized in 1926 under the leadership of Mrs. Byrd Creekmore. The organization was changed in 1938 to an all drum and bugle corps, being the first of its kind.

The purpose of the Red Coats is to serve the school in every way possible. All girls in the organization must have a high scholastic average.

Among the many civic and community affairs the Red Coats participate in are the Shriners' Ball, Armistice Day Parade, ushering at the Houston Fat Stock Show and Rodeo, and the P.T.A. annual Open House.

This year the Red Coats were guests of Texas A&M and drilled at the A&M-Villanova game.

It has been the privilege and pleasure of the Senior Red Coats for the past three years to take a ten-day trip through several Southern states. This tour has proved to be both interesting and educational.

This year they spent four days in Washington, D.C., making tours through the White House, the Capitol building, the Smithsonian Institute, Arlington Cemetery, and the Bureau of Engraving and Printing. They also visited places of interest in Roanoke, Virginia, and Chattanooga, Tennessee.

Vice President ..... GLENDA HULINGS
Secretary ..... ADA RUTH FOSTER
Treasurer ..... JUDY TAYLOR
Pianist ..... JACK WATERS
Sponsor ..... MRS. MARSHALL GREEN

FUTURE RELIGIOUS LEADERS has the motto, "Time and a half for Christ." Organized only two years ago, this interdenominational group still can proudly say that it is the only one of its kind. This group includes all those who have dedicated themselves to religious service. Presents were taken by the F.R.L. to Depelchin Faith Home as a Christmas project. Easter baskets containing candy were made by the F.R.L. and presented to a local hospital ward for the children around Eastertime.

Junior Red Cross

Officers

President ..... GLENDA HULINGS
Vice President ..... MARILYN HAVEMANN
Secretary-Treasurer ..... FRANCES ZOCK
Sponsor ..... MISS EUNICE BRACKETT

The Junior Red Cross promotes the aims of the main chapter of Red Cross in Houston, the Henry Dunant Council. It operates on the motto of service to others. Representatives from the Junior Red Cross have attended the meetings at the Council this year and have brought back to their Thursday afternoon meetings the decisions made. The Reagan chapter has promptly acted on such vital matters as funds for a local detention home and Hungarian relief. The Christmas Bureau of the Red Cross supplied the Reagan chapter with a needy family for Christmas. A basket of food and clothing was presented to this family before Christmas. The student body aided the cause by contributing to this basket.

1956 State Winners

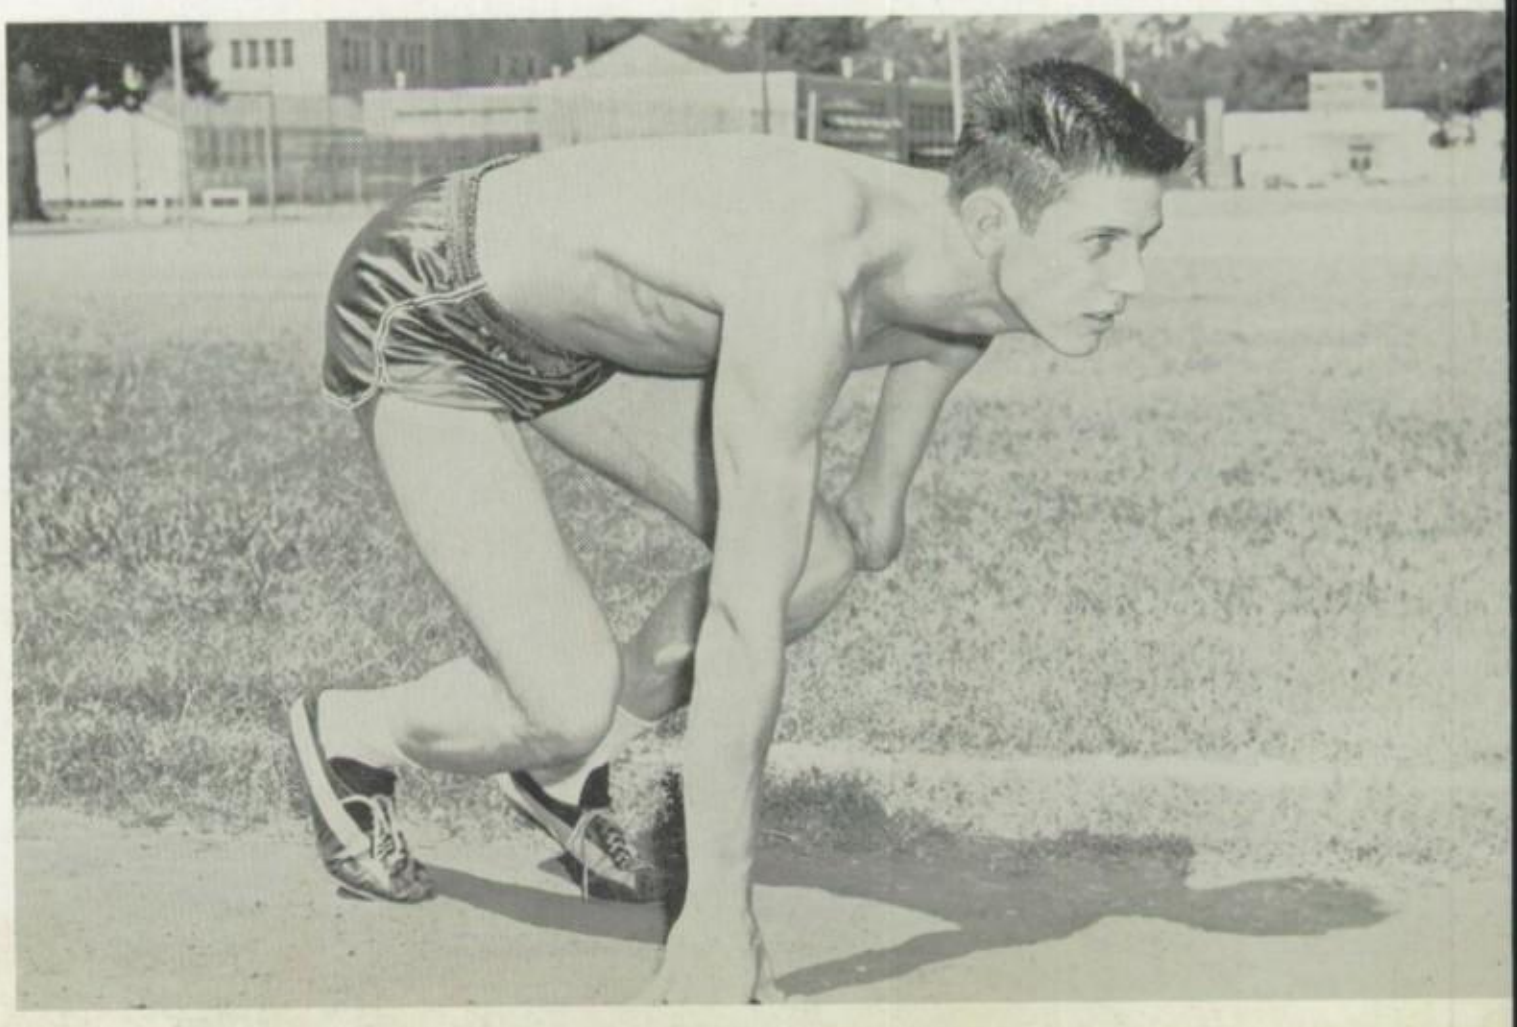
Richard Caldwell and John Boyd

BOYS' DEBATE STATE WINNERS

Richard on the left and John on the right are shown holding the plaque which they won as the first place trophy in Boys' Debate for the State of Texas. The State contest, sponsored by the University of Texas Interscholastic League, is annually held in Austin in May.

The subject for debate was: "Resolved, that the federal government should guarantee a higher education to qualified high school graduates through grants to colleges and universities."

Leonard Fawcett



RUNNING BROAD JUMP STATE WINNER

The best high school Broad Jumper ever to come from Reagan or South Texas.

Leonard broke the Broad Jump record in five meets and won the State Meet at 23 feet, 11½ inches, missing the record by 1½ inches.

He was also a great 440 boy, his record being 50.1 seconds. His 100 Yard Dash was 10 flat.

Hard pressed Austin, led by Jim Harrison and Randy Sims, edged by Reagan 13-6. Reagan's score came on a 66-yard drive led by L. D. Hancock and Don Hartman. Star fullback, Kenneth Wax, was put out for the rest of the season when he dislocated his shoulder on the first Reagan play from scrimmage. Allen Seifert and Frankie Murray were outstanding on the line.

Roger Applewhite, Bellaire fullback, kicked the extra point to Bellaire's only touchdown to upset Reagan 7-6. Reagan's Frankie Murray, 235 pound tackle, snatched a Bellaire pass and outran all but one Bellaire man 52 yards to the Bellaire 8 to set up our score. Then Cecil Calvin pushed the ball over 4 plays later to score. The extra point was missed, which lost the game. Eddie Mitchmore gained 66 yards on 14 plays to help the Reagan cause.

Although outscored 26-0 by the Lamar Redskins, game Reagan put up its best fight of the season. The fired-up Bulldogs held Lamar to a 6-0 half time lead before the Redskins came back with two tallies in the third period and one in the fourth. Reagan's deepest penetration died on the Lamar 1 yard line after Joe Euresti intercepted a pass and ran it back. Reagan's other outstanding players were Eddie Mitchmore, Mike Bell, Frankie Murray, and Roger Coston.

The powerful San Jacinto Bears dumped a spirited Bulldog eleven 21-0 to give us our seventh consecutive loss of the year. The Bears started rolling on a long pass play from Evans to give them their first touchdown. They added two more for safety purposes. The Bulldogs never did get rolling in the game, even though we had such outstanding players as Mike Bell, Allen Seifert, and Frankie Murray in there trying.

With 5:17 left in the first quarter, Jerry Sparks took the ball from scrimmage on Davis' own 11 and ran 89 yards for the only score of the game to give Reagan its eighth loss of the season. Reagan got as far as the Davis 17 yard line, only to fumble the ball away. Eddie Mitchmore and Edward Ereckson were two of Reagan's outstanding players in the game.

With 4 minutes remaining in the game and the score tied 7-7, the surprised Sam Houston Tigers, who weren't expecting much of a battle from Reagan, grabbed 2 quick touchdowns to beat the toughened Bulldogs 19-7. J. B. Castillo grabbed a Tiger pass on their 36 to set up the Bulldog touchdown. L. D. Hancock passed to end Paul Gleason, who helped by picking up 23 yards before Eddie Mitchmore pushed over from the one. L. D. successfully kicked the extra point. Murray was the most aggressive Lineman for the Bulldogs.

MILBY 19—REAGAN 0

Reagan was dealt its tenth defeat and seventh shut out of the year by the Milby Buffalos 19-0. This finished Reagan's worst season in over a half-century of football. Reagan got to the Milby 20 in the second period after Paul Timme recovered a fumble. But James Fagan was stopped short of a first down on the Milby 12. Stephens, Timme, Seifert, and Murray played well for Reagan.

At the beginning of every term the girls' P.E. classes elect four team captains or the teacher selects four girls to be team captains. These four girls are the leaders of their class.

Each captain has a group of girls or a team of which she is in charge. Generally, the captains select their team. It is her job to lead them in all activities, help with their skills, help grade the team on ability and skills, and be responsible for her team's conduct and co-operation.

It is plain to see that the position of team captain holds much responsibility and work. It is always an honor for a girl to become a team captain.

Intramural Volleyball

The Champs

Standing: Martha Jee, Linda Bounds, Betty Buchanan, Ruthie Harper, Sue Rotert, Libby McCarley, Patsy Culver, Carolyn Paulk, Dagma Corley, Phyllis Whalen. Kneeling: Frances Walker, Manager; Miss Mehr, Willifred Strybos, Captain.

These girls are the champions of the Intramural Tournament. The tournament was for all gym periods. Sophomore, Juniors, and Seniors played in the tournament. The tournament was Round Robin where all teams, regardless of classification, competed against each other. These girls are in Miss Mehr's fifth period Senior class. Not one time were they beaten. These girls should certainly be congratulated for their ability and work in winning the championship.

Intramural Basketball

During the month of January the girls' P.E. department held an intramural basketball tournament. In the tournament the teams played against girls in their own classification, e.g., Seniors vs. Seniors. The three victorious teams then played each other. Miss Smith's sixth period Junior class were the school champs.

The Distributive Education Club keeps busy all year with their program and many activities.

Among their many activities is the annual employer-employee banquet. The purpose of this is to create better understanding between the D.E. students and their employers. This year the banquet was held on April 2 at the Shamrock-Hilton Hotel.

Another annual event is the State Convention held on March 1 and 2 in San Antonio, Texas. Delegates to this convention are chosen on the basis of various contests, the winners of which become the delegates.
